NEW LONDON ROAD

Section of Mohegan Avenue and Turnout in Waterford Looked After.

When the Norwich Business Men's sociation held its outing at Ocean leach a short time ago loud complaints were made by Mayor Murphy and others about the dangerous condition of the temporary detour leading from Mohegan avenue in New London to the Norwich road.

The section complained about was in the town of Waterford. in the town of Waterford.

The selectmen of Waterford have

now given their attention to the bad condition of the turn up the cross-road from Mohegan avenue. A good many boulders which almost made the place impasable, have been removed, place impasable, have been removed, and although the detour is not a pleasant stretch to ride over, it is as good as can be expected under the

circumstances.

A hole in Mohegan avenue has been filled by Street Commissioner Darrow of New London, and for several hundred yards toward Harrison's the west side of Mohegan avenue has been cleaned up and leveled. There is a stretch of several hundred feet on the avenue before getting across to the Norwich turnpike, which is under Waterford's jurisdiction, and no doubt this will now receive needed attention and be made as good as the sertion and be made as good as the section adjoining within the town of New
